MICROSOFT'S GUIDE TO

Fullscope

FULLSCOPE IS

a strong, proven
Microsoft partner.

- Global Industry Builder Initiative Partner for Microsoft Dynamics AX™ (Process)
- Gold Certified Microsoft Solutions Partner
- 2005 Inner Circle Member
- 2004 President's Club Award
- 2003 New Partner of the Year Award
- Training and pre-sales partner
- Premier support partner

Additionally, Fullscope maintains one of the largest Microsoft Dynamics AX fully certified, dedicated staffs, and offers professional services for Microsoft Dynamics AX implementation, custom solutions development and ERP migration tools.

FULLSCOPE IS

a Microsoft
industry partner.

One of the initial Microsoft Industry Builder Initiative (IBI) partners for Microsoft Dynamics AX, Fullscope developed the process manufacturing, process distribution and total quality management modules which Microsoft now sells and supports.

Fullscope areas of process expertise include food and beverage, life sciences/ pharmaceutical, primary metals, pulp and paper and specialty chemicals.

FULLSCOPE HAS

a robust product
offering for manufacturers.

Fullscope specializes in helping family-run to publicly traded companies balance customer service and operational performance objectives.

Fullscope sells:

- Process Industries for Microsoft Dynamics AX (Food & Beverage, Specialty Chemicals, Life Sciences/Pharmaceuticals, Primary Metals, Pulp & Paper)
- High Tech for Microsoft Dynamics AX
- Fullscope Total Quality Management (TQM) for Microsoft Dynamics AX
- Fullscope Print & Packaging

ABOUT FULLSCOPE
