Descartes **delivers**[™] **CUSTOMER WEBCAST SERIES**

Make plans to attend one or both of these free sixty-minute webcasts especially designed to highlight the latest Descartes services and solutions:

● **Descartes Reporting Services[™] & Descartes KPI Metrics[™]**

Tuesday, August 23, 11:00 a.m. EDT

Hear about these new services that enable standard reporting across all Descartes solutions and open database connectivity-compliant (ODBC) systems, plus offer the ability to prepare long-term trend analysis, historical summaries and scorecards of key business activities.

● **Descartes Monitor[™]**

Thursday, August 25, 11:00 a.m. EDT

Learn how to improve tracking of assets as they move across a logistics network and receive real-time alerts for situations that require corrective actions. Part of the core Descartes Delivery Management[™] suite, Descartes Monitor integrates with Descartes Mobilelink[™] for use with wireless devices and can elevate visibility of your key assets to a whole new dimension!
